Collective Class: All persons who are or have been employed by the Defendants as construction staff or other similarly titled personnel with substantially similar job requirements and pay provisions, who were performing the same sort of functions for Defendants, other than the executive and management positions, who have been subject to Defendants' common practices, policies, programs, procedures, protocols and plans including willfully failing and refusing to pay required overtime wage compensation.

There are numerous similarly situated current and former employees of Defendants who have been denied overtime pay in violation of the FLSA and NYLL, who would benefit from the issuance of a Court-supervised notice of the present lawsuit, and the opportunity to join the present lawsuit. Those similarly situated employees are known to Defendants and are readily identifiable through Defendants' records.
